Liberty Pines Academy

WOLVES

Message from Mrs. Hemingway

Liberty Pines Academy Families,

Beaver Toyota Student Recognition – Congratulations to Reagan Devlin. Beaver Toyota of St. Augustine recognizes a student at their dealership who has displayed leadership and good character from our school district. They award the student with various prizes and briefly interview the awardee on a local radio show. We are so proud to have Reagan represent LPA!

5th Grade MOSH In-school Field Study Experience – Please ask your 5th grade students about their trip to Mars. Students were able to use a Red Rover Robotic sphere to maneuver the surface of Mars. They were asked to use the longitude and latitude lines in order to help determine the elevations of different areas on Mars. A HUGE thank you to MOSH for providing this experience for our LPA students.

School Access Form - In a continuing effort to provide safety and security to our students and staff we ask that you complete a School Access Form if you plan to enter a facility in the St. Johns County School District. This includes if you would like to participate in activities such as classroom celebrations, field trips, book fairs, field days, parent/teacher conferences, etc. Please make sure you complete the school access form online at http://www.stjohns.k12.fl.us/volunteer. It is important that each member of the family (parents, grandparents, aunts, uncles, etc.) complete this access form online prior to requesting access into the school. The approval process takes about 2-4 weeks to process.

LPA Learning Leader,
Traci Hemingway

UPCOMING DATES

- November 1 – Picture Retakes
- November 2 – Boosterthon Fun Run
  November 3 – LPA Icemen Fundraiser
- November 6 – PTO meeting @ 10:00am
- November 6 - Charleston Fundraiser Pickup 5:00-7:00pm - Multi-Purpose Room
- November 9 – Liberty Parade @ 8:45am
  (Thank You breakfast beforehand at 8:15)
- November 12 – No School – Veteran's Day
- November 13 - SAV Meeting in the media center at 4:00pm
- November 14 – Papa Murphy Fundraiser
- November 16– Interims Issued
- November 21 – 23rd – Thanksgiving Break
- December 4 – PTO Meeting @ 10:00
- December 5– PTO Spirit Night - Firehouse Subs
- December 6-7 – Drama Production "The Snow Child"

Math Textbook Adoption

This year LPA will be conducting a math textbook adoption. The public access information for the Math Textbook Adoption has been posted on the district website at http://www.stjohns.k12.fl.us/media/instructional-resources-media-services/textbooks/adoption/

WOLF NEWS

Box Tops:

Please remember to save your box tops and send them into school with the name of your teacher on the bag. Every quarter the teacher with the most box tops from their class will win a prize. This is an easy way to earn money for our school!

Save the Date for the Liberty Parade

- Nuo Gjeloshaj

The Liberty Parade is right around the corner, but before you come to visit, there is some important information to know. The Liberty Parade will be on Friday, November 9th and starts at 8:45, after a breakfast at 8:15 AM for the veterans, and should end by 10:00. If you are coming to the parade, you don't have to sign up or get a name tag, and all are welcome. There is special seating for the veterans to watch the parade. Some select students will give speeches at the parade and all 1,597 students will be singing in the grand finale. This parade is an annual event at LPA. Be sure to stop by to support our servicemen and women, and our veterans.

Ms. Pfaff Wins Belk Thank A Teacher Award!

- Sarah Berman, Lydia Gundaker, and Sydnee Vrtikapa

One of our amazing teachers here at LPA, Mrs. Pfaff, has won the Belk "Thank a Teacher" award. She was nominated for this award anonymously and Belk chose her as the winner! Mrs. Pfaff received a $500 dollar Belk gift card and a plaque. She teaches first grade and has been teaching for six years. Her favorite part about being a teacher is being with the kids and watching them blossom. She loves teaching first grade because they are so eager to learn. In addition to teaching, she keeps the students busy by doing fun crafts and other activities. Mrs. Pfaff is a wonderful teacher and definitely deserves this award!

USO - SUPPORT OUR TROOPS

- Lianna Mound and Samantha Solomon

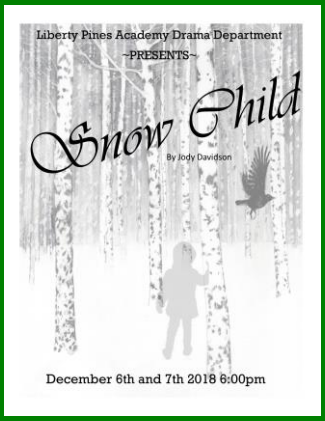
Support Our Troops is a program for collection of supplies and letters to give to deployed troops. Some of the donations being collected are instant coffee packs, energy bars, non-perishable food items, sun block, baby wipes, soap, toothpaste, stationary, playing cards, ear buds, and batteries. Mrs. O'Shell is organizing this project and she says that the inspiration behind it was that a good friend of hers was deployed, so she had students write letters to others that were currently in service. She found out that not everyone got letters and so they wrote letters for everyone, and then the project expanded from that point. In class, students will write holiday themed letters to the troops. Students can give the donations to their homeroom teacher November 1st through December 5th. The USO will pick up the supplies and letters December 6th.

LPA Star Chess Players

- Nuo Gjeloshaj

Chess is a game that requires patience and focus, and a lot of it. Most people might think that a chess tournament, let alone playing chess, is normally a profession taken up by more experienced adult players, but a chess player could come from anywhere and be anyone. At Liberty Pines Academy, two elementary students, Sahasra Satvika in kindergarten, and Parthu Kanumuri in second grade, received 3rd place in their recent tournaments despite their young age. Parthu stated that," My cousins wanted to play chess, so I started to play chess and found it fun." Both of them competed, and both of them brought home a trophy for the school to display. They both play chess on a normal basis, but anybody with a chess board can compete and prove a common stereotype wrong.

MORE WOLF NEWS

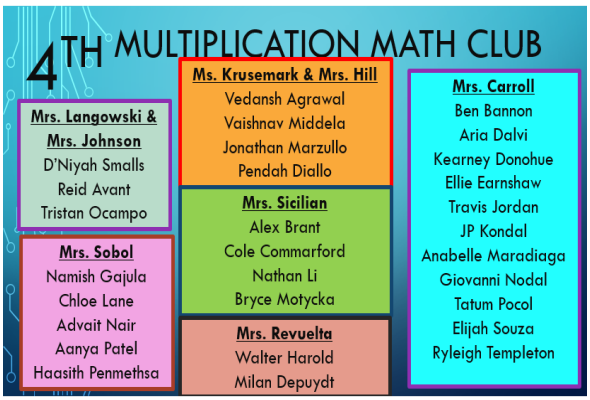


DRAMA CORNER

- Kate Olive, Hillary Bowker, and Lianna Mound

This year's play "The Snow Child" is progressing in the right direction. Mrs. Herkel is looking forward to seeing the audience's reaction, and watching her students perform. This play will be presented on December 6th and 7th at 6pm, $5 per ticket.

In her 7th grade drama class they are creating and performing plays that were inspired by Ancient Greece. In her 8th grade standard class they are reading and analyzing "The Crucible", a story written about the Salem Witch Trials, "Perfect for the month of October!" In her 8th grade advanced class they are working on documentaries and creating plays from a piece of artwork. They will be performing their plays in class.



Media Matters October 2018

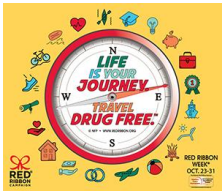
- Leila Sanchez and Samantha Solomon

This year there have been just over 325 new books ordered for students in our library, including Spanish novels, which have been added to help some of the English Language Learners at our school. There are also some great books to read or listen to on Book Flix, a new website that has recently been added to the student links page on our school website. In addition to selecting materials for the media center, our librarian, Mrs. Rogers teaches resource to elementary students including how to find books in the library, and preparing third, fourth, and fifth graders for middle school.

Battle of the Books Update - The Middle School Battle of the Books test for LPA will be Jan. 9th. This will determine the team which will represent the school in the District battle. Students need to have read all 15 books to take the test.

Disclaimer: Parents, please be cognizant of the eBooks your child checks out. eBooks cannot be categorized by content level. Consequently, students are able to read an eBook on a variety of subjects which could contain mature content. Thank you.

Red Ribbon Week



- Jordan Anchors, Mina Dryden, and Nidhi Samaluru

As a student it is important to learn about drugs and what we can do to stay drug free. We dedicate October 23rd through the 31st to bring awareness of the dangers of drugs and encourage drug prevention. The whole school participated in activities like drawing pictures, writing essays, and dressing up throughout the week. K-2nd grade drew pictures to hang around the school, while, 3rd- 5th grades wrote essays on how life is a journey, and learned about bringing awareness of drug prevention from PACT (Prevention, Advocacy, Choices, and Teamwork). 6th – 8th grades were able to recite and sign the pledge where students pledge to always stay drug free. Also, during Howl Hour Mrs. Vance spoke to middle school students about how they can "be the change". We are so glad our school participates in this wonderful program.

Becoming Multiplication Masters

- Jordan Anchors and Mina Dryden

4th grade has been practicing multiplication very hard in order to become "multiplication masters". Kids take a 5 minute, 100 question test. If students complete all 100 questions they will get a prize and sometimes their names announced on the morning announcements. Doing this helps kids become quicker when answering multiplication problems. Ms. Krusemark says her favorite part is, "That it promotes kids to learn their multiplication facts." Kids enjoy the recognition and love the challenge. Students are having so much fun and we can't wait to see their improvement throughout the year.

LIBERTY PINES ACADEMY ★★★★★

WOLVES

ESTABLISHED 2008

SPORTS NEWS!!!

SJCSD MS Volleyball

- Jameson Lee, Anjolee Romero, and Samantha Solomon

Congratulations to our Liberty Pines girl's volleyball team for making it to the playoffs! While they were not able to come away with a win, they did have a great season and finished 3rd in the playoffs. Unfortunately the boys played a hard season but didn't make it to the playoffs. According to the coaches, goals for the season were accomplished. "They were met, and they were exceeded. We had a lot of new players that joined, and improved. We were the number three seed in the county, and I couldn't be prouder," says our seventh and eighth girls' volleyball coach, Jenna Josephson. "I think my goals were met. We consistently got better working as a team throughout the season," reported Meredith Asper, the seventh and eighth grade boys' coach. Both the coaches were very pleased with how their teams flourished. "I am very pleased with how we played. We only lost two games during the whole season," commented Mrs. Josephson. As a new coach, Mrs. Asper remarked, "I learned all the rules about volleyball, and how to play. I learned how to talk to the boys when we weren't doing so well. And when we were doing great." Overall everyone was happy with the season. We won, we lost but most importantly everyone had fun, and learned some new things.

SJMSAA Football

– Samantha Solomon and Hillary Bowker

The football team has worked hard and made it to the playoffs this year. Sadly, their season came to an end when they played Murray Middle School on October 24th. The Wolves finished the year with a record of 3 wins, 6 losses, and 1 tie. While their losses outnumbered their wins this year, the players definitely learned that it is important to "win your battle every play," said team member Jacob Carter. Good luck to all our 8th graders going on to play high school football next year.

SJMSAA Soccer is Underway

– Leila Sanchez and Anjolee Romero

Coach Christopher Smith is excited for this season. The team has 11 players returning to the squad including top goal scorers: Olivia Surrency, Olivia Bori, Macey Millard and Malia Roberts. Also Evian Berg, Cassie Wolfe, Sofia Espinosa and Sofia Nardi on defense and Kaitlyn Luciano and McKenzie Smith in midfield. Plus we've added four strong 8th graders that didn't play last year: Amaya Logan, Anna Bachman, Erica and Sydney Lego. Coach Smith who has coached soccer for 10 years also commented that his goal is "To win the regular-season title and to win the tournament again" and "also to build up our younger players that will lead the team next year." When asked about his favorite part of coaching Coach Smith said, "I love the challenge of taking many girls that haven't played together before and forming a unit that works well together. Sometimes this means they play a different position than what they are used to, but we get the job done."

Cross Country

– Srinidhi Samaluru and Libby Williams

The season of Cross Country is back again! On October 17, there was a meet at Gamble Rogers Middle School. We had 26 runners and overall placed in fourth. The next meet is at Fruit Cove Middle School on November 14. Come support our Wolves!!

Eighth Grade - Anna Bachmann-1st place Girls, Peter Hudson-3rd place Boys

Seventh Grade - Macey Millard-1st place Girls

Sixth Grade - Braden Motycka -1st place Boys

Fifth Grade -Garret Hudson-5th place Boys

NOTICE: *The St. Johns Middle School Athletic Association ("SJMSAA") middle school sports program is not operated or sponsored by the St. Johns County School District. SJMSAA is an independent, private non-profit corporation, which uses District middle school names and facilities under a license agreement with the District, and which is solely responsible for the operation of the SJMSAA middle school sports program and its individual teams.*

What else is new …

Welcome Mr. Lyons!

- Lydia Gundaker, Sarah Berman, and Sydnee Vrtikapa

Security Guards are at our school to make a safe learning environment for our students. Our new security guard, Mr. Lyons, does a multitude of actions to keep our school safe. He makes sure our doors are locked and patrols the campus when students are switching classes. He also monitors in our lunch room when students are eating lunch. Mr. Lyons has eight years of experience in security work and used to travel the United States working in correctional facilities. From now on, security guards are required in all St. Johns County schools to ensure the safety of all students, and we are happy to have him at our school!

Odyssey of the Mind

- Leila Sanchez and Anjolee Romero

Odyssey of the Mind is a club at LPA where students can use their own creativity and knowledge to solve problems, engaging in learning and developing life skills. Facing these problems students, completely on their own, make a short skit that in order to solve the problems. Not only do they create the solutions on their own, but they also write the script for their skit and construct the props and backgrounds. They then perform in front of judges at a district competition to see whose solution is the best. Both middle school students and fifth-graders can compete in this club, and this year they are going to be great! The club is sponsored by Ms. Aitken and Ms. Waggoner.

Meet the Teacher

- Jordan Anchors and Mina Dryden

We are so happy to welcome a new teacher to the 1st grade team, Ms. Miranda Veale! This is Ms. Veale's 12th year teaching, since she graduated from Flagler College. She moved from Texas to St. Augustine, Florida. Her favorite hobbies include mountain biking and spending time with her dog. She became a teacher because she enjoys spending time with kids and got inspiration from her father who was a teacher. "The kids inspire me every day to be a better person and always have a smile," said Ms. Veale when asked why she loves teaching. Thank you for your hard work and dedication!

Star Student – Sophie Harrison

- Libby Williams and Kaitlyn Greenwald

The student of the month for October is second grader Sophie Harrison from Mrs. Hinton's class. Sophie's favorite subject is writing and she loves creating stories for fun. Not only does she excel in school, she does many activities outside of school. She plays soccer, sings, and she is learning how to play piano and guitar. She has a baby brother and a dog named Todd. Mrs. Hinton, her teacher, says, "she absolutely loves school and is always excited to learn." To all the other students in her class, Sophie is a good example and a great friend.

MORE WOLF NEWS

S.T.E.M Club

- Erin McCoy and Leila Sanchez

S.T.E.M Club, or **S**cience, **T**echnology, **E**ngineering and **M**ath club, allows students to explore the world of STEM through experimental studies and scientific inquiry. The STEM Club is led by Middle School teachers Ms. Johnson and Ms. Shaffer. The club meets on Monday's, from 3:00 to 4:00 after school.

Spirit Week

- Lianna Mound and Erin McCoy

This year LPA Spirit Week was held October 1-5. Spirit Week is a way students can express school spirit as well as themselves. By assigning certain themes to different days of the week, students and teachers get to be creative and dress to match themes such as hat day and Disney day. Spirit week sets itself apart from a normal school week and gives students an opportunity to have fun with how they dress for school. This year our spirit week themes were Hat Day, Disney Day, Decades Day, Under The Sea Day, and LPA Spirit Day

Tech Certification

- Anjolee Romero and Leila Sanchez

In today's generation children as young as five have access to all sorts of technology here at Liberty Pines Academy. Our middle school tech students have all had the opportunity to take a test called the Data Base Assessment. Students must score 60% or higher to qualify for a certificate. All middle grade students must have at least one certificate to move on into high school. "This certificate can also be put on a resume for future jobs, college applications, and things like that," says Mrs. Grubbs, our middle grade Tech teacher. This tech certificate is a great opportunity for our LPA students and we encourage everyone to take the class! Congratulations to the following for receiving their certificates:

Anderson, Ian
Benyacko, Andrew
Bryant, Anouk
Casimiro, Gabriel
Correal, Samuel
DeLamielleure, James
Greenwald, Brady
Keen, Koryn
Koutavas, Austin

Minnicks, Tyler
Kim, Skylar

NJHS Pet Drive

- Mrs. Hemingway, Nidhi Samaluru and Hailey Brooks

This year the Pet Drive was a huge success! National Junior Honors Society held the Pet Drive to help feed homeless pets. Pet food was collected from October 8-12, 2018, and an amazing 970 pounds was donated by students to feed hungry dogs and cats. The food was distributed to two shelters in St. Augustine, Home Again St. Johns and St. Francis House as well as to the food pantry at the St. Augustine Humane Society. Over 3.5 million people are homeless in the US, and approximately 10-25% have loyal pets who provide companionship, warmth, and protection. Great work LPA students!

Mrs. Willim, one of our NJHS supervisors says to everyone who donated, "Thank You for your generosity. Small acts of kindness can have a big impact." Pets are a part of our family and we want to be able to help them.

Leader of the Pack – Lianna Mound and Samantha Solomon

Leader of the Pack is an award given to one student per homeroom, per grade, each quarter. The students chosen have shown leadership and examples of the 6 character pillars in their classroom throughout the quarter. The six pillars include responsibility, trustworthiness, respect, fairness, caring, and citizenship. It's a great way for teachers to show their appreciation for the students. Our first quarter Leaders were recognized on Thursday, October 18th.

Kindness Cups - Jordan Anchors and Mina Dryden

"It's important that students always have each other's back," said 4th grade teacher Mrs. Lewis. In order to inspire students to be kind, Mrs. Lewis created "Kindness Cups". Kindness Cups are little plastic Tupperware cups that hold marbles. Each student has his or her own cup. Students can earn a marble by doing something kind. However, if students are seen doing something unkind a marble can be taken away. At the end of each week students can turn in their marbles for a prize, like earning a piece of candy or eating lunch with their teacher. Chloe C. says her favorite part about the cups is that, "You get to be kind to other people." We are so glad kindness is being spread throughout the school.

LPA PTO

Congratulations to our "of the month" winners!!

- Cathy Richter was voted volunteer of the month for her hard work with the book fair and spirit wear.
- Mrs. Grabb was voted staff member of the month.
- Jeevan Iyengar was voted student of the month for his outstanding job at safety patrol.
- Our Outstanding Volunteer of the Year is Erin Gulden and our Outstanding Senior Volunteer of the Year is Gayle Cormier.

The "Of the Month" program is looking for your help in recognizing LPA students, teachers, staff, and volunteers who go above and beyond for our great school. If you feel you know of just the right person to be recognized, please send an email to stephcross13@yahoo.com with a short description as to why this person should be considered. The panel loves to receive nominations from parents, teachers, and students!

Categories are:
Teacher/Staff of the Month
Volunteer of the Month
Student of the Month K-4th
Student of the Month 5th-8th

Jacksonville Icemen Game

We hope you will attend the Icemen Hockey game on Saturday, November 3rd. If you purchase your tickets for $20 a person at JAXICEMEN.COM/LPA, our PTO will receive a portion of the ticket price and our families will be able to sit together to enjoy the game. There will be a special appearance from Marvel Heroes and the Jacksonville Icemen will be wearing Marvel themed jerseys.

St. Augustine Nights of Lights

The St. Augustine Nights of Lights will donate $1 for every PRE-SOLD ticket to St. John's County Schools.
What a great way to support our local schools!

Stay Informed!

We want to continue to encourage parents to join the Liberty Pines Academy PTO Facebook page (you must be an approved volunteer at the school to join) to get information updates about events and happenings at LPA.

Please sign up for Remind on your phone. It's a great way to get helpful reminders and information about LPA events or grade specific updates! Click on the following links to enroll:

Relay For Life LPA Style

- Libby Williams and Hillary Bowker

This year LPA Students will be forming an 8th grade team and a 7th grade team. Nancy Scranton and Rola Delamielleure are leading the 8th grade team and Monica Willis and Becky Hamilton are leading the 7th grade team. Relay for Life is a yearlong fundraiser held by the American Cancer Society to raise money for cancer survivors and fighters. It has evolved from an 18 hour event where a member of your team had to be walking around a track the whole time while their team members would raise money. Now teams raise money in any way they can. This year the fundraiser will be at Nease High School. This year LPA is the only school that has student led Relay For Life teams, meaning the students and their families are leading the teams rather than teachers at the school.

Boosterthon is Back at LPA

- Leila Sanchez and Kaitlyn Greenwald

Every year Liberty Pines Academy works with "Boosterthon" to help raise money for our school. Boosterthon teaches students about the values of Fitness, Leadership, and Character in their everyday lives. On October 25, the Boosterthon team came out to LPA and had a pep-rally to get kids excited about running for prizes. On November 2nd, kindergarten through fifth grade will spend a part of their day running laps. Each lap they run will earn them a certain amount of money. To get money donated to our school students will work to get "pledges" from family and friends. They will ask uncles, aunts, grandparents and more to donate a certain amount of money, or "pledges", for each lap they run. After reaching their goal, students will earn prizes, along with the class who earned the most amount of money.
