# LPA Media Center

Dear Liberty Pines Academy Parents,

I would like to welcome all of you to the new school year and say how pleased I am to be working with you and your children as the LPA Media Specialist. This year will prove to be exciting for our new LPA community and myself as we continue to make progress in the growth and use of the media center. I am seeking the help of V.I.P.'s: *Very Important People* to become a *Very Important Part* of our LPA Media Center. There are many tasks involved in making a media center an effective and powerful learning center. Some may desire to help with simple daily tasks while others may want to take on greater yearlong projects. I am interested in working with a variety of people so we can make the LPA Media Center an essential and effective part of our learning community. We can work together to decide on what tasks are most suitable for you if you choose to become one of the LPA Media Center volunteers.

Some of the volunteer choices/needs include:

Assisting at the circulation desk/ helping with daily library maintenance (shelving books, etc.)
Helping with the Reading Incentive Programs - Sunshine State Young Reader's Award
Maintaining the Guided Reading & Leveled Books
Assisting with Book Fairs
Aiding patrons and teachers with selection and location of materials for curriculum connections
Preparing literature themed displays/creating banners or murals
Helping to process donated books
Repairing damaged books/organizing shelves
Fundraising for new library materials, helping write grant proposals for funds
Researching for community guest speakers/local events of interest to LPA
Sharing hobbies or experiences for "special events" in the LPA media center
Storytelling to small groups of students
Helping with yearly inventory

Please indicate your interests (or other ideas you might like to add) and available days/times you can volunteer. We also accept email submissions if that is more convenient for you. Please be sure to provide all of the necessary information. All volunteers must fill out an application to be approved by the St. Johns County School District. Whether you would like to work on a regular basis or occasionally, your help is welcome and needed to make the LPA Media Center become all that it can be this year. I look forward to meeting and working with you. Thank you.
