## ONLY RETURN IF YOU DO NOT WISH YOUR CHILD TO BE SCREENED.

Dear Parents,

August 2016

In compliance with Florida Statute 381.0056 (7), regarding school health services, we are notifying you that students in the St. Johns County School System will be offered free screening for vision, hearing, and height/weight measurement for growth and development.

**Your child will be screened unless you notify the school, in writing by signing below, no later than August 26, 2016, that you do not want your child to participate.** Please see the LPA website for the scheduled dates for specific grade level testing.

Nurses from the St. Johns County School District, in conjunction with school personnel and trained volunteers, will conduct the screenings. Screening is defined by Florida Statutes as “presumptive identification of unknown or unrecognized disease or defects by the application of a test that can be given with ease and rapidity to apparently healthy persons.”

We are pleased to be able to offer programs that support the health and well-being of our students. Please contact Amy Lynch, RN at 904-547-7919 if you have questions or concerns.

Sincerely,  
*Judith Thayer*  
Principal
