---------------	---------	---------	---------

**Emergency Only Care**

Each participant must pay the normal registration fee of \$75 to be entitled to use this program. This program allows participant to pay a daily rate of \$20.00 per day for emergency purposes only.

**Reduced Rates**

We offer reduced rates to families who qualify for free or reduced lunch. When your family applies for either the free or reduced lunch program, you will receive a letter from the county which identifies the program your family is qualified to use. A copy of this letter must be presented to the Extended Day Program Coordinator to be eligible for these discounted rates. Upon presentation of the letter, the Coordinator will provide the rates which you are to pay. Fees for students who qualify for free lunch will be 1/3 of the regular fee. Fees for students who qualify for reduced lunch will pay ½ of the regular fee. Fees for additional children enrolled in either the free or reduced program qualify for ½ of the regular fee. (The letter will be placed in your child's/children's file for auditing purposes.) All reduced rates include a snack. Reduced rates only apply to monthly payments, they DO NOT apply to Wednesday Only or Emergency Care services.
