President's Message

Dear LPA staff, students and families,

Welcome back! I hope you all had a fun, yet relaxing, winter break and you are ready to tackle the second half of the academic year.

The PTO is excited to announce the return of Boosterthon beginning Monday, January 30th. The theme this year is Epic Adventure and it's all about teamwork! This is a wonderful opportunity for our students to learn daily lessons and have discussions on important topics such as fitness, character, leadership, and being a positive team member. Students are also welcome to show their pride in LPA by being part of the integral process of generating financial support for our school through pledges. Finally, to wrap up the epic week, ALL students may participate in the Fun Run on Wednesday, February 8, complete with DJs and lots and lots of fun! More information will be in your child's folder, as well as on the PTO website, in the coming weeks. All are invited to help support and cheer on our students on the day of the Fun Run. Please join us and don't forget your signs!

Amazingly, it is also time to start making plans for the 2012/2013 school year, and we need your help. A survey has been posted on the LPA website asking for feedback on the number and types of fundraisers/opportunities that are of the most interest to LPA staff, students and families. Please take a moment to complete the survey. All constructive feedback is greatly appreciated and will be reviewed and taken into consideration when making plans for next year.

And, as always, all are welcome to PTO meetings which are held on the first Tuesday of every month at LPA at 10:00 a.m., as well as 3 evening general meetings held at various times throughout the year. Please refer to the PTO website for up-to-date information.

On behalf of the PTO, I would like to thank everyone for all of your support so far during this school year. We could not support LPA and all of its students and staff without you. But it's not over yet! Please read on and join us in the many exciting events that we have planned during the next several weeks.

We look forward to seeing you there, and have a safe, healthy and happy 2012.

Sincerely,

Erika Williams
PTO President
