Principal and Officer's Reports

Principal's Report- Judith Thayer

Kudos to the whole team and Melissa Woody for leading the carnival. We've been wanting to do something like that for a long time. It took a leader, or someone wonderfully naïve, to head that up. ☺ It was wonderfully fun and I've heard nothing but great things. As I'm sure you've heard, I gave announced my retirement. I started 60 years ago this fall. No, not teaching, but thank you for looking properly shocked, 60 years ago I was a kindergartner! I started teaching 44 years ago, then took 9 years off to be with my children, but taught for a total of 35 years. I'm ready for that change, looking forward to it in an amazing way. The day I got married I got a letter from my kindergarten teacher. I started LPA with this kindergarten class, and I'm ending with their 8<sup>th</sup> grade class. I've been in St. John's County for 21 years. Next Tuesday the 11<sup>th</sup>, there will be a community input meeting at 3:00pm to gather input for what leader you would like for LPA. SAC meeting will follow this meeting at 4:00pm. I'll work until the end of June, will set all the schedules. There will be a large pool of candidates from Fruit Cove, Creekside, Hartley all getting new principals. District makes decisions about who stays as far as assistant principals. Q – Are any of our assistant principals candidates? I'm not sure?

Screenagers, growing up in the digital age.com outreach event to help kids in this internet age. Internet addiction is huge, wrecking our families and ensaring our children. The movie will be 1 hour and 6 mins long on May 2<sup>nd</sup>, at 6:00pm and it is free.

FSA testing for 3<sup>rd</sup> grade is done, FSA testing starts again next Monday and will continue for the rest of the year. Volunteers will be limited to the afternoon only.
