

2016-2017 ACCEL by Parent Request - Conditional Performance Contract

Student's Name: _____

Current School: _____ Date: _____

Requested Advanced Placement: _____

Your child did not meet the criteria for the advanced placement.

We are honoring your request for advanced placement with this conditional performance contract. Please read and check each box below to indicate that you understand that:

- Advanced coursework becomes a part of your student's permanent record.
- Parental involvement in the entire process of advanced coursework is necessary for student success.
- Your student will need excellent study skills and should be self-motivated and able to work independently.
- If enrolled in a virtual class, your student will be taking a virtual course at school working independently, with no direct assistance from an on-site instructor. Please keep in mind that SJCSD end of course scores exceeded those of FLVS last year.
- If a future change in placement is necessary, instruction may be by virtual school or at another building.
- There is no obligation to provide remedial instruction due to advanced placement
- Performance at a "C" or above is required for continued acceleration.
- Course placement is for one full year
