Principal's Message

LPA is proud to be an AVID School. **AVID** stands for **Advancement Via Individual Determination**. In simple terms, this means **YOU** are the one that can make your dreams happen. At LPA you will learn how **YOU** can be in charge of your school success. Your future is up to you!

Students who are organized are able to learn better because they know where everything is. A lot of AVID is thinking & learning about how to stay on track for learning. Students will be learning about what it takes to be successful and practice those habits along the way. Many AVID activities also involve practice in reading and writing. Having strong reading and writing skills will be extremely important for any student who wants to be think about a career or college. Also, AVID is like a family, so students feel they have a community of support as they work on preparing for their future!

We are inspired by the potential the year holds for you. Our teachers and staff have worked hard to support your growth as healthy, productive citizens. It is our focus to prepare you to be caring contributors to the world. Remember to “Be Respectful, Responsible and Ready to Learn” and you will succeed.

Here's to a great year where “the sun always shines at LPA”.

Mrs. Thayer
Principal

ACADEMIC INTEGRITY

All students are expected to display academic integrity at all times. Students are required to do their own work, keep their eyes on their own work and not use any outside means to assist them. Electronic devices are never allowed out during exams. Plagiarism and cheating will result in zeros for assignments and tests. Discipline will be addressed in each situation.

ACCELERATED READER (AR)

AR Enterprise, the web based version of Accelerated Reader, is now available to the students of Liberty Pines. Quizzes may be taken at school. Students have access to 100,000 quizzes through this reading incentive program. Students will receive recognition for meeting AR goals. See our school's website for details.

ACCIDENTS

Every accident occurring on school grounds or at any school-sponsored event will be reported to the supervising staff member/adult and to the front office immediately.

ADDRESS, TELEPHONE NUMBER AND EMAIL CHANGES

Please notify our office immediately if there is a change in your address, telephone number, email, or your emergency contact. This information is very important in case your child becomes ill or injured.

Students will not be released to anyone who is not listed on the emergency information card. If you would like a neighbor or friend to be eligible to pick up your child from school, please list them on your emergency contact card. Please make sure this information is updated whenever necessary.

ATTENDANCE

The importance of regular attendance cannot be over emphasized. All students should be in school every day that they are physically able. It is extremely difficult to successfully keep up with class work if attendance is irregular. Students having 5 unexcused absences within a calendar month or 10 unexcused absences within a 90 calendar-day period shall be reported to the principal/designee to secure and determine rationale for such absences. If a student is absent more than

fifteen days, it is the responsibility of the parent or guardian to provide a doctor's note. A student who is absent for ten (10) days or more during any grading period and does not make up the missed work will receive zeroes for missed work. Any incomplete grades will become failing grades if final exams are not taken or make-up work is not turned in to the teacher. Students who are suspended or have unexcused absences may make-up their work for 50% credit. A student must be in school the entire day in order to be considered for perfect attendance.

Excused absences include: Personal illness, family emergency, death in the family, religious holidays of the student's established religious faith, required court or law agency appearances, public functions, state competitions, scheduled doctor or dentist appointments.

Unexcused absences include: shopping trips, pleasure trips, suspension from school, appointments without prior approval except in case of emergency.

For a complete list of excused and unexcused absences, students and parents should refer to the *Student Code of Conduct*.

Absences

Parents must notify the school, within 48 hours, of their child's absence by way of a written note. Based on district policy, any student that checks-out prior to 11:40am is considered absent for the entire day. Liberty Pines Academy has 6 hours and 20 minutes of academic time each day, making the 1/2 day mark fall at 11:40am. Students should always bring a note explaining their absence on the day they return to school. The note should include the child's name, the child's classroom or homeroom teacher's name, the date and an explanation of the absence, and a parent signature. Failure to bring in a note will result in an automatic unexcused absence. If your child is ill and absent for two days, contact the homeroom teacher to arrange for the school work your child has missed. Any student who is absent must make his/her own arrangements with the teacher to make up the missed work. Students with an extended illness may qualify for the Hospital Homebound program. For other extended absences, please notify the principal, in writing, prior to the absence. The Florida Standards Assessment dates are included on page two. Please do not schedule vacations during the testing period.

Tardiness

School begins at 8:30 a.m. Students are considered tardy when they are not in their classrooms ready to receive instruction at that time. Any student arriving at school after 8:30 a.m. must report to the front office desk to receive an admit slip before going to the classroom. Tardiness is disruptive to the learning environment and has a negative impact on student achievement. Studies have shown that students who are tardy have a higher risk of poor performance.

Tardy Consequences

1. Students will receive 2 unexcused tardy per quarter without consequence. (Tardies will not accumulate beyond the current quarter.)
2. Excused tardies are granted only upon receipt of a note issued by a Professional Care Provider. Notes must be received on the day of the tardy or prior to the student's lunch period the following day. (Notes may be faxed to 904-547-7905.)
3. Parent notes are not acceptable in determining an excused tardy.
4. Students will serve a lunch detention for each unexcused tardy beyond their second unexcused tardy per quarter.
5. Five unexcused tardies per quarter will result in a 1 day in-school suspension and parent conference.
6. Students with more than 5 unexcused tardies per quarter will receive an additional day of in-school suspension per tardy (not to exceed 3) and a parent conference.

Procedures

1. Parents must escort their child to the main office when tardy for school.
2. Students are considered tardy any time they are not in their classroom ready to learn at 8:30 a.m.
3. Parents will receive a notification via the Blackboard Connect system when a student is tardy to school. Students will receive a tardy notice upon late entry.
4. Students will serve lunch detention within one week of their tardy date.
5. Parents will have until Noon the following day to provide a Professional Health Care Provider note for an excused tardy.

Early Dismissal

Parents must provide a written excuse for any student requiring early dismissal. The time and reason for leaving school should be included. Students will turn in the requests to their teacher in the morning and will stay in class until someone in the front office calls for them to be dismissed. Children will be released only to their parents or to individuals named on the Emergency Card. Early checkouts must be completed by 2:00pm on Mondays, Tuesdays, Thursdays and Fridays, and by 1:00pm on Wednesdays.

BACKPACKS

Students may carry backpacks to and from Liberty Pines Academy. All backpacks must be kept in homerooms for K-4 students and in lockers for 5-8 students. Only string bags are allowed to be carried throughout the day. **A doctor's note is mandatory for any student requiring a rolling backpack.**

BIKE RULES

Every bike rider must wear a helmet. This is the law. If you forget your helmet, you will call home for permission to walk your bike or ask a parent/guardian to drop off your helmet. Every rider must provide their own bike lock. The rack gate will remain open but individual bikes will be secured. Please make sure your shoes are tied, your helmet is on and your backpack is on your back before you take your bike out of the rack. All bikers are responsible for getting their own bike out of the bike rack. Parents/siblings please refrain from placing bikes outside of gate area. Ask the safety patrols for help if you need assistance. Walk your bike out of the rack, across the road and out the gate before boarding your bike. You must ride on the sidewalk, not on the road or grass. Watch out for walkers. Be patient and leave space between your bike and ones in front of you.

BIRTHDAYS and CELEBRATIONS

Snacks/treats are allowed only with permission and under the direction of the classroom teacher (**critical due to medical complications caused from various food sources**). Shared treats are **not allowed** in the cafeteria. There must be enough snacks/treats available to serve each

student within a given classroom who may wish to participate. Balloons, signs, banners, flowers or gifts are not permitted at school. If party invitations are handed out at school, every student in the class must receive one. Only Pre-packaged treats with food ingredient labels are approved.

BLACKBOARD CONNECT

BLACKBOARD CONNECT is a rapid phone notification system provided by our school district to communicate important or emergency information efficiently and rapidly to our parents. This system will be used primarily to provide accurate information to parents about scheduled events and any safety issues. We will also use the system to report absences.

BULLYING

Bullying is prohibited. According to (*s. 1006.147 F.S.*) St. Johns County's Student Code of Conduct defines bullying as systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. All cases of bullying should be reported immediately and will be handled in accordance with school district policy.

BUS REGULATIONS

Students are given the privilege of using the transportation services of the St. Johns County School District. Standards of discipline must be maintained at all times, in order to satisfy safety requirements. Whenever a driver must direct his/her full attention away from the road, danger exists. No student will be allowed to endanger the other students on the bus. Parents are not to board the bus at any time. A complete list of bus regulations is available in the **Student Code of Conduct**. District procedures are as follows:

1. Stand away and off the roadway while awaiting the bus.
2. Students must be on time; the bus will not wait for those who are tardy.
3. Students must board and leave the bus at their regular stop location (unless written permission from the parent or principal has been received by the bus driver).
4. Wait for the driver's signal before crossing the road. Walk ten (10) feet in front of the bus.
5. The driver is in full charge of the bus and students. Students must obey the driver.

6. The driver has the right to assign seats. Students must sit three (3) to a seat from window to aisle.
7. Keep your seat at all times when the bus is moving.
8. Keep arms and head inside of windows. No object shall be thrown from windows or at the bus.
9. Unnecessary conversation with the driver is dangerous.
10. Outside of ordinary conversation, classroom conduct is to be observed.
11. Students must refrain from fighting, pushing, and tripping while boarding, riding, and leaving the bus.
12. Students must not use any abusive or profane language to other students or the driver.
13. Absolute silence is required at all railroad crossings.
14. No eating, drinking, or use of tobacco is allowed on a bus.
15. No animals (dead or alive), glass or glass containers, sharp objects, ball bats, cutting instruments, baton, and drumsticks will be allowed on the bus without prior permission of the driver.
16. Large objects, including large band instruments which will interfere with seating and safety of others, will not be permitted on the bus.
17. Consequences for a student violating bus rules:
 - 1st offense:** Administration judgment and parent notification.
 - 2nd offense:** May suspend 1-2 days from school bus and parent conference with principal/designee and bus driver.
 - 3rd offense:** May suspend 2-5 days from school bus.
 - 4th offense:** May suspend 5-10 days from the school bus.
 - 5th offense:** May result in long term suspension from the bus.

All K-5 students ride separate buses from those transporting students in middle grades 6-8. Parent requests or complaints regarding bus service should be directed to the transportation department at 547-7810.

CELL PHONES/ELECTRONIC DEVICES

Cell phones must be OFF and OUT OF SIGHT at all times. Cell phones must remain in the backpacks of students in grades K-4, and in the lockers of students in grades 5-8. Cell phones may NOT be on one's person during school hours. Electronic devices (smart watches, iPods, etc.) are not allowed at school. LPA is not responsible for lost, stolen, or damaged cell phones/electronic devices.

Violations to this rule will result in the following consequences:

1st offense: The administration will hold any personal electronic device for the day and return it to a parent/guardian at the end of the day.

2nd offense: The parent/guardian will be notified and asked to meet with an administrator/dean to discuss repeated misconduct. The personal electronic device will be returned to the parent/guardian.

Subsequent offenses require that a student surrender a phone during school hours and may result in in-school suspension.

CHARACTER COUNTS!

The St. Johns County School District, along with area businesses, youth organizations and civic groups, selected the national character educational program of CHARACTER COUNTS! as a county-wide initiative to instill positive character traits in our young people. As adults, we are responsible for modeling appropriate behavior, which has been proved as the best way to teach character in others. Liberty Pines Academy provides character education based on core ethical values, in particular the Six Pillars of Character. These pillars are: TRUSTWORTHINESS, CARING, RESPECT, RESPONSIBILITY, CITIZENSHIP, and FAIRNESS. Teachers identify students who exemplify monthly pillars and students are recognized quarterly as Leader of the Pack.

CLINIC

The clinic is for temporary first aid only. Students will be sent home if there is evidence of vomiting, diarrhea, or a temperature over 100 degrees. It is expected that students remain home for an un-medicated 24 hour symptom-free period, or as directed by a doctor's note.

Food Allergy Awareness- Food allergies present increasing challenges for schools. Because of the life-threatening nature of these allergies and the increasing prevalence, LPA takes an active part in Food Allergy management at our school. LPA is food allergy aware. We take every precaution when it comes to the health and safety of our students. Parents are asked to inform the school in writing of their child's allergies prior to the start of school or immediately after diagnosis, provide medication and physician orders. Faculty and staff are educated in the procedures to identify and treat potential allergic reactions. Classrooms are food free locations so there are no worries about exposure during learning time. Non-food incentives are encouraged instead of food/treat incentives. Home room parents are informed of allergy status in the classroom and asked to plan accordingly. Sharing of food, lunches, and snacks are discouraged. Students with food allergies are offered allergy free seating in the cafeteria where they can sit with a friend of their choice as long as

their lunch is also allergy friendly. Please contact the school nurse to discuss specific accommodations for your child.

Pediculosis (LICE) Pediculosis is a common communicable childhood disease. It is important to acknowledge head lice as a problem in every community. Our school district has adopted a NO Nit Policy as the public health standard intended to keep our students lice free, nit free, and in school. The NO Nit Policy encourages every family to do its part at home with routine screening, early detection, accurate identification, and thorough removal of nits and lice. If a student is found to have lice or nits while at school, the parent/guardian will be informed and the student will need to be picked up from school. The process is kept confidential. The school asks that you treat your child thoroughly before returning to school. The student must be checked by the school nurse and found to be lice/nit free before they will be permitted to return to class. We encourage parents to inform close friends and family members so that all who have been in contact with the child are aware and can also follow the same procedures.

COMMUNICATION

Conferences- Parent and teacher communication is vital to the success of your student. To contact a teacher or make an appointment, you may call the school to leave a message, send the teacher an e-mail, or send a note to the teacher with your child.

E-Mail- All staff at Liberty Pines Academy can be reached by e-mail, with a reply within 48 hours. For most staff: (example: John.Doe@stjohns.k12.fl.us). Check with your child's teacher for any exceptions or visit our website and select the appropriate link.

Home Access Center- This is a web-based application that allows parents to view their child's educational information. Parents will need to obtain their user name and password from the school. Instructions and further information can be retrieved from the district website www.stjohns.k12.fl.us under the heading For Parents and Students. Additional information can be found on our school's website under "Home Access Center (HAC)." **The website is <https://parents.stjohns.k12.fl.us>**

School Closings- Local radio and television stations will carry all school closing announcements due to inclement weather or other emergencies by 6:30 a.m. whenever possible. In addition, you can log

on to the St. Johns County website (www.stjohns.k12.fl.us) to view announcements.

Teacher Websites- Each K-5 teacher maintains a website that provides specific classroom information, activities, and student assignments. Middle Grades teachers share common grade level websites and communicate content-specific information via Edmodo. Students will receive access information at the beginning of the school year.

Visiting Classrooms- Parents may visit classrooms **only** with the pre-arranged permission of the teachers. "Drop-ins" are not allowed. All visitors are required to sign in at the front office. For the safety of all students, parents and visitors are not allowed to go directly to any area in the building without permission. **Siblings are not permitted to accompany parents while visiting a classroom.** Because our staff has required duties and meetings, we are unable to accommodate parents who do not have a scheduled appointment. We are unable to allow unannounced classroom visitations prior to the beginning of the school day. Parents may not walk students to their classrooms.

Website- Communication is the key to a successful school/home partnership. Our school website provides information about upcoming events: www-lpa.stjohns.k12.fl.us

EMERGENCY DRILLS

Emergency drills will be conducted throughout the school year. We conduct monthly fire drills as required by the Florida Fire Prevention Code. We will also practice drills for the following scenarios: severe weather, bomb threat, lockdown, and shelter-in-place. Our severe weather drill relocates students to safer areas of our buildings. A bomb threat may require a building evacuation and/or an off-site evacuation. Our emergency off-site evacuation location is Creekside High School. A lockdown procedure is used to secure the campus from a potentially dangerous intruder or other threatening or hazardous condition. The shelter-in-place drill is a short-term solution to a short-term problem. This short-term measure is designed to use a facility and its indoor atmosphere to temporarily separate people from a hazardous outdoor environment. Our school district also requires bus evacuation drills for our bus riders. Safety is of the utmost importance.

FIELD EXPERIENCE TRIPS

Education experience trips are planned by grade levels and by certain organizations. Students with discipline referrals or suspensions may not be allowed to attend field trips or end of the year activities. Administration reserves the right to revoke field trip privileges and deny refunds (depending on field trip timeline).

No children, including siblings, relatives, or friends, may attend a field trip unless they are part of the group for whom the trip was arranged. Only parents and guardians of children for whom the trip was arranged may serve as chaperones and must be approved and cleared through a criminal record check.

FORGOTTEN MATERIALS

After 8:30am, the front office will not accept or deliver forgotten homework, PE uniforms, band instruments, school supplies, or projects. Students are responsible for bringing these items to school. The only exception to the policy is a student’s lunch/lunch money or glasses.

GRADING SCALE

The Governor and Legislature of the State of Florida have set the following grading scale for all students in public schools in the state:

A.....90-100%.....Outstanding Progress

B.....80-89%Above Average Progress

C.....70-79%.....Average Progress

D.....60-69%.....Lowest Acceptable Progress

F.....0-59%.....Unacceptable Progress

Florida Statute requires schools to report to parents their child’s conduct grade and whether the child is working on or below grade level in reading, math and writing in grades K-5.

HEALTHY INITIATIVE

Federal law requires every school district to have a local wellness policy. In keeping with the SJCS D healthy initiatives, birthday/celebration treats will be permitted but with limitations. All birthday/celebration treats must be approved by the teacher in advance for all students in grades K-8. All birthday/celebration treats will be served in the commons area or outside, as pre-arranged with the teacher. No birthday/celebration treats may be brought to the school without prior teacher notification. **NO birthday/celebration/shared treats will be permitted to be served in the cafeteria.** Food treats should be healthy and nutritious, and enough to share with all students who wish to participate. All teachers and the school health nurse are aware of individual student’s needs and should be consulted regarding food allergies, diabetes, and other dietary restrictions/needs. Please see the school/teachers/ websites for healthy choices and links to more information on this topic.

Liberty Pines Healthy Initiative Plan provides students with healthy options in our lunchroom by providing fruits and vegetables. Cafeteria items are always baked and never fried. Cookies, ice cream, and other high sugar /high fat products are not available to students through the lunch program. For safety reasons, please do not send sodas or other drinks in glass containers. Please partner with us to instill and develop healthy habits in our children.

HELPFUL HINTS FOR SCHOOL SUCCESS

All students in grades 3-8 will be issued a planner at a cost of \$5.00 per student.

*This planner should come home every night.

*Check this assignment book. Review papers and projects brought home. Help your student to develop a timetable for projects.

*Let your child know he/she is responsible for assignments.

*Students should read and practice math facts every day.

HOMEWORK

Students should expect to have an average of 10 minutes of homework per grade level (i.e., 7th grade: 70 minutes), in addition to reading and practicing math facts. Long-term assignments and projects may be assigned periodically.

ITEMS BROUGHT TO SCHOOL

Animals- No animals should be brought to school.

Aerosol Cans or Pump Sprays- Students are not permitted to have aerosol cans or pump sprays at school to include those containing food or used for personal hygiene.

Balloons- Having balloons delivered or brought to school is not allowed.

Bicycles- **Students riding a bicycle to school must wear a helmet.** (s.316.2065 F.S.). Once on campus, bicycles must be walked, parked, and locked in the bike rack located near the bus loop. NO skate boards, roller blades, or scooters are permitted on the school grounds.

Cards- Playing or trading cards are not allowed at school.

Chewing Gum- Students may **NOT** chew gum at school.

Personal Electronics Devices- Smart watches, radios, tape recorders, CD players, MP3's, iPods, electronic toys, laser pointers, video games, beepers, cameras, TV's, head phones (i.e., Beats) and hand held games are **NOT** to be brought to school.

*****NON-SCHOOL ISSUED CAMERAS OR RECORDING**

DEVICES ARE NOT PERMITTED***

Wheeled devices- Skateboards, scooters, heeies, or roller blades may not be brought to school for any reason.

Toys- Toys should not be brought to school. Bringing a toy gun or any other toy weapon to school without the permission of the principal will result in suspension.

Lost and Found- Please check the "Lost and Found" area for lunch boxes and clothing. Articles such as glasses and jewelry, etc. will be placed in the front office. Unclaimed articles are periodically donated to organizations that support those in need. Please put your student's name in all clothing brought to school. Items with names will be returned to the students.

Water Bottles- Bottles brought onto campus must be clear. Steel, colored, or non-transparent bottles will be confiscated. While juices may be consumed in the cafeteria, only water may be brought into classrooms due to the rooms being carpeted. Energy drinks are never allowed on school campus, including before and after school.

LOCKS AND LOCKERS

Lockers will be assigned at the beginning of the year to all middle grade (6-8) students. All students must use a combination lock(s) provided by LPA. A deposit of \$5.00 will cover PE, band, and homeroom lockers. Parents may ask for the deposit returned through a written request received by the school's bookkeeper no later than ten days prior to the last day of school. Only locks provided by LPA are permitted. Students are **REQUIRED** to use a school issued lock on homeroom, band, and PE lockers at **all** times. It is very important that students keep their locker combination confidential so locker contents are secure. If a student should misplace his/her lock, another lock will need to be replaced at the cost of \$10.00 per lock. In addition, backpacks are required to be placed in student lockers. We recommend that you do not leave valuables in your locker. These lockers are for your convenience, but are school property, and the administration reserves the right to inspect the contents of a locker. Lost or stolen items will not be investigated if this procedure is not followed.

LUNCH

Students may purchase a hot, balanced meal from the cafeteria daily, or they may bring lunch. All entrees can be made into a lunch as long as your student gets a fruit and/or vegetable. Milk is always included in a school lunch. There is no "a la carte" line. Breakfast is also available

each day. Every student automatically has a lunch account. To set limits or alerts for allergies you must contact the Food Service Manager. Payments may be made with cash or check. Please write the student's given name and lunch number in the memo section of the check or on the envelope to ensure payment goes to the correct account. Credit card payments may be made through PayPams online at www.paypams.com. We encourage parents to at least sign up so you can receive alerts when the account balance is low and to see purchases. Breakfast and lunch menus are on the café website along with prices and other helpful information. We will not deny your student a hot lunch but please do not let your students lunch account go into the negative. Free/reduced lunch applications must be completed online. Excuses for a day's absence will be honored with a note from the parent, but if more than five days are missed, a doctor's excuse will be required.

PUPIL DETENTION, SEARCH and SEIZURE

Administration, teachers, or any other members of the staff are authorized to temporarily detain and question a student when circumstances indicate that such student has committed, is committing, or is about to commit a violation of law or a regulation of the school board.
