LPA Second Grade Summer Reading Bingo

You will choose a row (horizontal, vertical, or diagonal) to complete for a Bingo. Read a book either by the author or series listed in each box for your row. Write the title of the book you read in the space provided on the board. **This must be completed by the student.** Lightly color in the box when you have completed it. You may complete more than one bingo. You will use one of the Summer Bingo books you read over the summer for an activity the first week of school. If you turn this sheet in on the first day of school, you will get a special coupon to use in the classroom.

Don't see an author or book you want to read? You may substitute **one** book in your bingo for a book of your choice if you would like.

**This is a challenge row.
