Dear Parents,

We are pleased to announce the 7th annual Liberty Pines Academy-Jacksonville USO partnership. Students support overseas military through letters of appreciation and assembling care packages of basic commodities. Once per year, each grade level collects supplies and writes letters to soldiers. In September and October, students in grades 3-5 will collect small items to include in the care package, which the USO mails to our military "pen pals" stationed overseas.

A USO approved list of items is on the back of this letter. Please contact your child's teacher for confirmation of approval of any items not listed. All donations of these small items are appreciated. **Please send in all items to be included in the care package to your child's classroom by Wednesday, October 11th.** (Early donations welcome and will be stored safely with the classroom teachers.)

All letters/poems will be written in class. However, if parents, siblings, or other family members would like to include a piece of writing in the care package, feel free. Please send in by Wednesday, October 11th.

Thank you so much for your support of our endeavor. The students are excited to show support and appreciation for our military soldiers for the seventh year in a row.

Sincerely,

The Third, Fourth and Fifth Grade Teams
