On behalf of the staff at Liberty Pines Academy, I it is my honor to welcome you to the 2019-2020 school year! We are looking forward to a productive partnership with our students and families. LPA classes are designed to provide each child with an education appropriate for academic, emotional and social growth in the rapidly changing world. This will be achieved by creating positive, child-centered instructional opportunities. The Mission of Liberty Pines Academy is “All children are: respectful, responsible, and ready to learn. We share responsibility for all children, we are responsible to one another and we are responsible to our parents and community.” At LPA our students will learn how they can be in charge of their school success. Your future is up to you!

Students at LPA will learn information specific to their classes as well as social-emotional and learning strategies that will assist them throughout their lives. We believe that organized students are successful students. Students will learn what it takes to be successful and practice effective habits along the way. Each class will have a focus on reading and writing. Having strong reading and writing skills will be extremely important when entering the workforce. Students will feel a sense of community as their peers and the staff at LPA support them and help them prepare for their future!

We are inspired by the potential the year holds for our students. Our teachers and staff have worked hard to support their growth as healthy, productive citizens. It is our focus to prepare each student to be caring contributors to our community. Remember to be respectful, responsible and ready to learn and each student will succeed at LPA! We are looking forward to a great year!

ACADEMIC INTEGRITY

All students are expected to display academic integrity at all times. Students are required to do their own work, keep their eyes on their own work and not use any outside means to assist them. Electronic devices are never allowed out during exams. Plagiarism and cheating will result in zeros for assignments and tests. Discipline will be addressed in each situation.

ACCIDENTS

Every accident occurring on school grounds or at any school-sponsored event will be reported to the supervising staff member/adult and to the front office immediately.

ADDRESS, TELEPHONE NUMBER AND EMAIL CHANGES

Please notify our office immediately if there is a change in your address, telephone number, email, or your emergency contact. This information is very important in case your child becomes ill or injured.

Students will not be released to anyone who is not listed on the emergency information card. If you would like a neighbor or friend to be eligible to pick up your child from school, please list them on your emergency contact card. Please make sure this information is updated whenever necessary.

ATTENDANCE

The importance of regular attendance cannot be over emphasized. All students should be in school every day that they are physically able. It is extremely difficult to successfully keep up with class work if attendance is irregular. Students having 5 unexcused absences within a calendar month or 10 unexcused absences within a 90 calendar-day period shall be reported to the principal/designee to secure and determine rationale for such absences. If a student is absent more than fifteen days, it is the responsibility of the parent or guardian to provide a doctor's note. A student who is absent for ten (10) days or more during any grading period and does not make up the missed work will receive zeroes for missed work. Any incomplete grades will become failing grades if final exams are not taken or make-up work is not turned in to the teacher. Students who are suspended or have

unexcused absences may make-up their classwork for 50% credit, tests and quizzes for 100% credit.

Excused absences include: Personal illness, family emergency, death in the family, religious holidays of the student's established religious faith, required court or law agency appearances, public functions, state competitions, scheduled doctor or dentist appointments.

Unexcused absences include: shopping trips, pleasure trips, suspension from school, appointments without prior approval except in case of emergency.

For a complete list of excused and unexcused absences, students and parents should refer to the *Student Code of Conduct*.

Absences

Parents must notify the school, in writing, within 24 hours of their child's absence. (An absence note template is available on our website under For Parents.) Based on district policy, a student will be considered absent when he/she misses 50% of their school day. Any student that checks-out prior to 11:35 am is considered absent for the entire day. Students should always bring a note explaining their absence on the day they return to school. The note should include the child's name, the child's classroom or homeroom teacher's name, the date and an explanation of the absence, and a parent signature. Failure to bring in a note will result in an automatic unexcused absence. If your child is ill and absent for two days, contact the homeroom teacher to arrange for the school work your child has missed. Any student who is absent must make his/her own arrangements with the teacher to make up the missed work. Students with an extended illness may qualify for the Hospital Homebound program. For other extended absences, please notify the principal, in writing, prior to the absence. The Florida Standards Assessment dates are included in the Master Calendar. Please do not schedule vacations during the testing period.

Tardiness

School begins at 8:25 a.m. Students are considered tardy when they are not in their classrooms ready to receive instruction at that time. Any student arriving at school after 8:25 a.m. must report to the front office desk to receive an admit slip before going to the classroom. Tardiness is disruptive to the learning environment and has a negative impact on student achievement. Studies have shown that students who are tardy have a higher risk of poor performance.

Tardy Consequences

1. Students may receive 3 unexcused tardies per month without consequence.
2. Excused tardies are granted only upon receipt of a note issued by a Professional Care Provider. Notes must be received on the day of the tardy or prior to noon the following day. (Notes may be faxed to 904-547-7905.)
3. Parent notes are not acceptable in determining an excused tardy.
4. Students will serve a lunch detention for each unexcused tardy beyond their third unexcused tardy per month in the ISS Room.
5. Students with 5 or more tardies per month will be required to meet with the Dean and his/her parent/guardian for a conference.

Procedures

1. Parents must escort their child to the main office when tardy for school.
2. Students are considered tardy any time they are not in their classroom ready to learn at 8:25 a.m.
3. Parents will receive a notification via the School Messenger system when a student is tardy to school. Students will receive a tardy notice upon late entry.
4. Students will serve lunch detention within one week of their tardy date.
5. Parents will have until noon the following day to provide a Professional Health Care Provider note for an excused tardy.

Early Dismissal

Parents must provide a written excuse for any student requiring early dismissal. The time and reason for leaving school should be included. Students will turn in the requests to their teacher in the morning and will stay in class until someone in the front office calls for them to be dismissed. Children will be released only to their parents or to individuals named on the Emergency Card. Early checkouts must be completed by 2:15 pm on Mondays, Tuesdays, Thursdays and Fridays, and by 1:15 pm on Wednesdays.

BACKPACKS

Students may carry backpacks throughout the day at Liberty Pines Academy. K-4 students must keep all backpacks in homerooms. Backpacks with wheels are not allowed without a doctor's note.

BIKE RULES

Every bike rider must wear a helmet. This is the law. If you forget your helmet, you will call home for permission to walk your bike or ask a parent/guardian to drop off your helmet. Safety is a priority! Subsequent offenses will lead to progressive discipline. Every rider must provide their own bike lock. The rack gate will remain open but individual bikes must be secured. Please make sure your shoes are tied, your helmet is on and your backpack is on your back before you take your bike out of the rack. All bikers are responsible for getting their own bike out of the bike rack. Parents/siblings please refrain from placing bikes outside of gate area. Ask the safety patrols for help if you need assistance. Walk your bike out of the rack, across the road and out the gate before boarding your bike. You must ride on the sidewalk, not on the road or grass. Watch out for walkers. Be patient and leave space between your bike and ones in front of you.

BIRTHDAYS and CELEBRATIONS

Snacks/treats are allowed only with permission and under the direction of the classroom teacher (**critical due to medical complications caused from various food sources**). Shared treats are **not allowed** in the cafeteria. There must be enough snacks/treats available to serve each student within a given classroom who may wish to participate. **Balloons, signs, banners, flowers or gifts are not permitted at school.** If party invitations are handed out at school, every student in the class must receive one. Only pre-packaged store bought treats with food ingredient labels are approved. No homemade items permitted. Parents may drop off classroom treats at the front desk only. Parents may not attend classroom celebrations. Middle school students may only have treats in homeroom.

BULLYING

Bullying is prohibited. According to (*s. 1006.147 F.S.*) St. Johns County's Student Code of Conduct defines bullying as systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. All cases of bullying should be reported immediately and will be handled in accordance with school district policy.

BUS REGULATIONS

Students are given the privilege of using the transportation services of the St. Johns County School District. Standards of discipline must be maintained at all times, in order to satisfy safety requirements. Whenever a driver must direct his/her full attention away from the road, danger exists. No student will be allowed to endanger the other students on the bus. Parents are not to board the bus at any time. A complete list of bus regulations is available in the **Student Code of Conduct**. Parent requests or complaints regarding bus service should be directed to the Transportation Department at (904) 547-7810.

District procedures are as follows:

- Board and leave the bus at assigned stop location.
Courtesy bus passes are not permitted
- Arrive at the bus stop at least 5 minutes prior to the bus stop time. The bus will not wait for those who are tardy.
- Stand at least 12 feet off the roadway while waiting for the bus.
- If you cross the road to board/disembark the bus, wait for the driver's crossing signal to cross the road. If you cross the road, walk 12 feet in front of bus.
- Remain seated at all times when the bus is moving.
- Keep arms and head inside windows. Do not throw objects from windows.
- Refrain from unnecessary conversation with the driver.
- Observe classroom conduct. Ordinary conversation is acceptable.
- Refrain from fighting, bullying, pushing and tripping while boarding, riding and leaving bus.
- Refrain from any abusive or profane language to other students or driver.
- Maintain silence at railroad crossings.

- Refrain from eating, drinking, chewing gum and using tobacco on bus.
- Refrain from using cell phones on bus. Refrain from using DC players, iPods or other musical devices, if directed by the driver.
- Refrain from bringing animals (dead or alive), glass or glass containers, sharp objects, balls, bats, cutting instruments, batons, drum sticks, skate boards and large objects (including band instruments) unless you have prior permission of the school administration and the driver.
- Refrain from bringing, applying or spraying perfume, cologne or aerosol items that could cause allergic reactions and breathing problems.
- Vandalism of school bus will not be tolerated.
- If the bus is equipped with lap belts, students must wear the lap belt while riding the bus.

Discipline for students violating bus rules:

Disruptive behavior and violation of the Code of Conduct on a school bus by a student are grounds for suspension of the student’s privilege of riding on a school bus, may be grounds for disciplinary action by the school and may also result in criminal penalties being imposed. In particular:

- The principal or the principal’s designee may suspend a student from the school bus for up to ten (10) days per occurrence for violating the standards of conduct for students riding the bus or other misconduct.
- The School Board may order suspension of bus privileges for a period between eleven (11) days and the balance of the school year.
- In addition to the suspension of bus privileges, students who violate the Code of Conduct while on a bus are subject to out-of-school suspension and other disciplinary action as authorized by this Code.

CELL PHONES/ELECTRONIC DEVICES

Cell phones must be OFF and OUT OF SIGHT at all times. Cell phones must remain in the backpacks of students in grades K-5, and in

the lockers of students in grades 6-8. Cell phones may NOT be on one’s person during school hours. Electronic devices (smart watches, iPods, etc.) are not allowed at school. LPA is not responsible for lost, stolen, or damaged cell phones/electronic devices.

Violations to this rule will result in the following consequences:

1st offense: The administration will hold any personal electronic device for the day and return it to the student at the end of the day. The Dean of Students will contact parents/guardians.

2nd offense: The personal electronic device will be returned to the parent/guardian only.

3rd offense: The parent/guardian will be notified and asked to meet with Administration to discuss repeated misconduct. The personal electronic device will be returned to the parent/guardian only.

Subsequent offenses require that a student surrender a phone during school hours and may result in in-school suspension.

CHARACTER COUNTS!

The St. Johns County School District, along with area businesses, youth organizations and civic groups, selected the national character educational program of CHARACTER COUNTS! as a county-wide initiative to instill positive character traits in our young people. As adults, we are responsible for modeling appropriate behavior, which has been proved as the best way to teach character in others. Liberty Pines Academy provides character education based on core ethical values, in particular the Six Pillars of Character. These pillars are: TRUSTWORTHINESS, CARING, RESPECT, RESPONSIBILITY, CITIZENSHIP, and FAIRNESS.

CLINIC

The clinic is for temporary first aid only. Students will be sent home if there is evidence of vomiting, diarrhea, or a temperature over 100 degrees. It is expected that students remain home for an un-medicated 24 hour symptom-free period, or as directed by a doctor’s note.

Food Allergy Awareness- Food allergies present increasing challenges for schools. Because of the life-threatening nature of these allergies and the increasing prevalence, LPA takes an active part in food allergy management at our school. We take every precaution when it comes to

the health and safety of our students. Parents are asked to inform the school in writing of their child's allergies prior to the start of school or immediately after diagnosis, provide medication and physician orders. Faculty and staff are educated in the procedures to identify and treat potential allergic reactions. Classrooms are food free locations so there are no worries about exposure during learning time. Non-food incentives are encouraged instead of food/treat incentives. Home room parents are informed of allergy status in the classroom and asked to plan accordingly. Sharing of food, lunches, and snacks is discouraged. Students with food allergies are offered allergy free seating in the cafeteria where they can sit with a friend of their choice as long as their lunch is also allergy friendly. Please contact the school nurse to discuss specific accommodations for your child.

Pediculosis (LICE) Pediculosis is a common communicable childhood disease. It is important to acknowledge head lice as a problem in every community. Our school district has adopted a NO Nit Policy as the public health standard intended to keep our students lice free, nit free, and in school. The NO Nit Policy encourages every family to do its part at home with routine screening, early detection, accurate identification, and thorough removal of nits and lice. If a student is found to have lice or nits while at school, the parent/guardian will be informed and the student will need to be picked up from school. The process is kept confidential. The school asks that you treat your child thoroughly before returning to school. The student must be checked by the school nurse and found to be lice/nit free before they will be permitted to return to class. We encourage parents to inform close friends and family members so that all who have been in contact with the child are aware and can also follow the same procedures.

COMMUNICATION

Conferences- Parent and teacher communication is vital to the success of your student. To contact a teacher or make an appointment, you may call the school to leave a message, send the teacher an e-mail, or send a note to the teacher with your child.

E-Mail- All staff at Liberty Pines Academy can be reached by e-mail, with a reply within 48 hours. For most staff: (example: John.Doe@stjohns.k12.fl.us). Check with your child's teacher for any exceptions or visit our website and select the appropriate link.

Home Access Center- This is a web-based application that allows parents to view their child's educational information (i.e. grades, attendance, report cards). Parents will need to register for their user name and password using the HAC link on the school website. Instructions and further information can be retrieved from the district website www.stjohns.k12.fl.us under the heading For Families. Additional information can be found on our school's website under "Home Access Center (HAC)."

Schoology- This is a web based learning management system that has all the tools that middle school students need to engage in content for each class. Login information will be provided in homeroom. Parents will need to register to view their child's activity at app.schoology.com.

School Closings- Local radio and television stations will carry all school closing announcements due to inclement weather or other emergencies by 6:30 a.m. whenever possible. In addition, you can log on to the St. Johns County website (www.stjohns.k12.fl.us) to view announcements.

Visiting Classrooms- Parents may visit classrooms **only** with the pre-arranged permission of the teachers. "Drop-ins" are not allowed. All visitors are required to sign in at the front office. For the safety of all students, parents and visitors are not allowed to go directly to any area in the building without permission. **Siblings are not permitted to accompany parents while visiting a classroom.** Because our staff has required duties and meetings, we are unable to accommodate parents who do not have a scheduled appointment. We are unable to allow unannounced classroom visitations prior to the beginning of the school day. Parents may not walk students to their classrooms.

Website- Communication is the key to a successful school/home partnership. Our school website provides information about upcoming events: www-lpa.stjohns.k12.fl.us

EMERGENCY DRILLS

Emergency drills will be conducted throughout the school year. We conduct monthly fire drills and lockdown drills, as required by the Florida Fire Prevention Code. We will also practice drills for the following scenarios: severe weather, bomb threats and evacuation. Our severe weather drill relocates students to safer areas of our buildings. A bomb threat may require a building evacuation and/or an off-site evacuation. Our emergency off-site evacuation location is Creekside High School. A lockdown procedure is used to secure the campus from a potentially dangerous intruder or other threatening or hazardous condition. Our school district also requires bus evacuation drills for our bus riders. Safety is of the utmost importance.

FIELD EXPERIENCE TRIPS

Education experience trips are planned by grade levels and by certain organizations. Students with discipline referrals or suspensions may not be allowed to attend field trips or end of the year activities. Administration reserves the right to revoke field trip privileges and deny refunds (depending on field trip timeline). No children, including siblings, relatives, or friends, may attend a field trip unless they are part of the group for whom the trip was arranged. Only parents and guardians of children for whom the trip was arranged may serve as chaperones and must be approved and cleared through a background check.

FORGOTTEN MATERIALS

After 8:25 am, the front office will not accept or deliver forgotten homework, PE uniforms, band instruments, school supplies, or projects. Students are responsible for bringing these items to school. The only exception to the policy is a student's lunch/lunch money or glasses. All supplies needed will be given to the student for the day.

GRADING SCALE

The Governor and Legislature of the State of Florida have set the following grading scale for all students in public schools in the state:

- A.....90-100%.....Outstanding Progress
- B.....80-89%Above Average Progress
- C.....70-79%.....Average Progress
- D.....60-69%.....Lowest Acceptable Progress
- F.....0-59%.....Unacceptable Progress

Florida Statute requires schools to report to parents their child's Conduct Grade and whether the child is working on or below grade level in reading, math and writing in grades K-5.

HEALTHY INITIATIVE

Federal law requires every school district to have a local wellness policy. In keeping with the SJCSJ healthy initiatives, birthday/celebration treats will be permitted but with limitations. All birthday/celebration treats must be approved by the teacher in advance for all students in grades K-8. All birthday/celebration treats will be served in the commons area or outside, as pre-arranged with the teacher. No birthday/celebration treats may be brought to the school without prior teacher notification. Only pre-packaged store bought treats with food ingredient labels are approved. No homemade items permitted. Middle school students may only have treats in homeroom.

NO birthday/celebration/shared treats will be permitted to be served in the cafeteria. Food treats should be healthy and nutritious, and enough to share with all students who wish to participate. All teachers and the school health nurse are aware of individual student's needs and should be consulted regarding food allergies, diabetes, and other dietary restrictions/needs. Please see the school/teachers/websites for healthy choices and links to more information on this topic.

Liberty Pines Healthy Initiative Plan provides students with healthy options in our lunchroom by providing fruits and vegetables. Cafeteria items are always baked and never fried. Cookies, ice cream, and other high sugar /high fat products are not available to students through the lunch program. For safety reasons, please do not send sodas or other drinks in glass containers. Please partner with us to instill and develop healthy habits in our children.

HELPFUL HINTS FOR SCHOOL SUCCESS

All students in grades 3-8 will be issued a planner. This planner should come home every night. Check this assignment book.

*Review papers and projects brought home. Help your student develop a timetable for projects.

*Let your child know he/she is responsible for assignments.

*Students should read and practice math facts every day.

*3rd-8th HAC: Contains grades for all assignments and assessments. Students and parents should check HAC weekly.

*6th-8th Schoology: Contains course content information, calendar of learning activities and online assessment opportunities. Student and parent accounts are available.

DEVICES ARE NOT PERMITTED***

Wheeled devices- Skateboards or scooters must be stored in the bike rack area. Heelies and roller blades may not be brought to school for any reason. Rolling backpacks are permitted with a doctor's note.

Toys- Toys should not be brought to school. Bringing a toy gun or any other toy weapon to school without the permission of the principal will result in suspension.

Lost and Found- Please check the "Lost and Found" area for lunch boxes and clothing. Articles such as glasses and jewelry, etc. will be placed in the front office. Unclaimed articles are periodically donated to organizations that support those in need. Please put your student's name in all clothing brought to school. Items with names will be returned to the students.

Water Bottles- Bottles brought onto campus must be clear. Steel, colored, or non-transparent bottles will be confiscated. While juices may be consumed in the cafeteria, only water may be brought into classrooms due to the rooms being carpeted. Energy drinks are never allowed on school campus, including before and after school.

LOCKS AND LOCKERS

Lockers will be assigned at the beginning of the year to all middle grade (6-8) students. All students **must** use a combination lock(s) provided by LPA. A deposit of \$5.00 will cover PE, Band and Homeroom lockers. Only locks provided by LPA are permitted. Parents may ask for the deposit returned through a written request received by the school's Bookkeeper no later than 10 days prior to the last day of school. Students are **REQUIRED** to use a school issued lock on homeroom, band, and PE lockers at **all** times. It is very important that students keep their locker combination confidential so locker contents are secure. If a student should misplace his/her lock, another lock will need to be replaced at the cost of \$10.00 per lock. We recommend that you do not leave valuables in your locker. These lockers are for your convenience, but are school property, and the administration reserves the right to inspect the contents of a locker. Lost or stolen items will not be investigated if this procedure is not followed.

LUNCH

Students may purchase a hot, balanced meal from the cafeteria daily, or they may bring lunch. All entrees can be made into a lunch as long as

your student gets a fruit and/or vegetable. Milk is always included in a school lunch. There is no “a la carte” line. Breakfast is also available each day. Every student automatically has a lunch account. To set limits or alerts for allergies you must contact the Food Service Manager. Payments may be made with cash or check. Please write the student’s given name and lunch number in the memo section of the check or on the envelope to ensure payment goes to the correct account. Please include two phone numbers on checks. Breakfast and lunch menus are on the café website along with prices and other helpful information. No student will be denied lunch. Please do not let your student’s lunch account become overdrawn. Free/reduced lunch applications must be completed online. The application link is available on the district website.
