

AFTER-SCHOOL ART CLUB

KidzArt

**New Projects
Every Week**

**Held right at
your child's
school!**

**Only
\$25/class**

UNIT 1: PATTERN PLAY

Watch your artist transform simple lines into vibrant masterpieces! Students will explore how artists use pattern, repetition, rhythm, and color to make art pop. They'll build foundational art concepts while discovering the exciting rhythm of visual design.

UNIT 2: AUTUMN ENCHANTMENT

Inspired by the magic of the changing seasons, students dive into imaginative artwork while mastering core technical skills. From atmospheric shading and perspective to tactile sculpting and color mixing, this unit builds confidence!

UNIT 3: ABSTRACT IMAGINATION

It's time to think outside the box! Students will experiment with abstract art, bold color palettes, and playful motifs. Through interactive drawing and sculpting projects, they'll explore contrast, dynamic design, and the freedom of self-expression.
