Joseph G. Joyner, Ed.D.
Superintendent

Dear Parent(s),

I congratulate you and your child on his/her success in school for this grading period. Your student's high academic achievement is a testament to the quality efforts and achievements exhibited by many St. Johns County students. I trust, by your student's example, that many other students will strive "to be the best they can be" in their daily school work.

By earning the Honors Program card, the student is entitled to gain substantial savings at specified local businesses. Please know that this program will continue to provide our students with positive reinforcement only if they use this Honor Card Program card. Its use will encourage still other businesses to be a part of this worthwhile program that recognizes academic achievement.

When you shop or use a service, ask if they are a participating member of the St. Johns County School District Honor Card Program. If they are not, encourage them to participate. For more information, please contact the district volunteer coordinator at 547- 3945.

Please help us continue this program of recognition for high achieving students in the St. Johns County School District.

Sincerely

A handwritten signature in cursive script that reads 'Joseph Joyner'.

Dr. Joseph Joyner
Superintendent of Schools

The St. Johns County School District will inspire in all students a passion for lifelong learning, creating educated and caring contributors to the world.
