Shared an article re FSA cut scor. BOE may get achievement levels in February. LPA is an "A" School regardless of cut scores.

Biggest chance – level 3 – satisfactory may need additional support for the next grade. 4 – proficient (75% of questions are correct) likely to excel in the next grade.

LPA students did well. Florida did well overall (much better than UT)

2011-2015 – win inc rigor graduation rate has improved to 90.5%, this is phenomenal
