

LPA Elementary Students and Families,

Every year at LPA, we organize a military supply collection and letter writing program to support our military troops overseas. Our goal is to send love and encouragement, while thanking them for our freedoms.

This year, our efforts will impact newly deployed service members that are a part of our LPA family. Petty Officer 1st Class Noah Mayernik (Nurse Mayernik's husband) and Petty Officer 2nd class Brennan Scoggins (elementary art, Mrs. Scoggin's husband) are deployed in the same Navy strike group. Mr. Mayernik is on the USS Lassen; Mr. Scoggins is on the USS Farragut.

Between the dates of October 8 and October 22, our goal is to collect supplies and letters from LPA Elementary families. The items will ship at the end of October with a hopeful arrival close to the December holiday season.

The list of collection items can be found on the back of this letter. To thank soldiers for their service, students will also write festive letters during the school day.

Please deliver supplies to Mrs. Amy Lynch's clinic in the main office or to Mrs. Lauren O'Shell, Portable 13. With questions, please contact lauren.oshell@stjohns.k12.fl.us

Thank you for joining in our efforts to support our LPA families, and reminding our students the importance of serving, just in time for Veteran's Day.
